

IFLA Section Library Buildings and Equipment

An introduction

Marian Morgan-Bindon
Chair

IFLA Library Buildings and Equipment Section

Who we are

- Librarians and architects with a passion for library design and technology
- A dynamic IFLA unit that delivers on strategic goals
- We collect and disseminate knowledge about library design, construction and equipment.
- We facilitate exchanges of experiences between librarians, architects and industry
- We establish connections

Publications - Open Access

New Libraries in Old Buildings — Creative Reuse”

Joint partnership IFLA ENSULIB and LBES

Edited by:

- Petra Hauke
- Karen Latimer and
- Robert Niess

Friday, March 6, 2020 8:30 – 4:00

McGill University, Armstrong Building, 3rd floor, 3420 McTavish St. Montreal, QC

Partnerships

The Evolving Concept of 'Library' and its
Impact on Library design

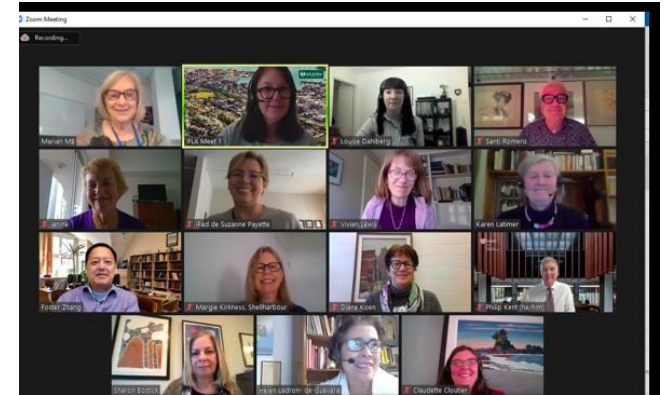

- IFLA Satellite Meeting 21-22 August 2019, Rome Italy -

IFLA

**PUBLIC
LIBRARY
OF THE
YEAR
AWARD
2022**

Engagement

- LBES also works to articulate the value, each of our Section members gains from their involvement.
- This is vitally important in a volunteer organisation.
- LBES seeks to have geographical representation building inclusiveness and understanding of the role of the section.
- We develop and collect best practice, including representation at events such as the Shanghai International Library Forum

Future Plans

- LBES is forward thinking and has a range of partner options post WLIC 2022
- Expanding Inspiring Libraries Image Bank
- Continuing partnerships with industry professionals to deliver events
- Delivering the 2022 webinet series
- Delivering a virtual event in association with the Guadapajara World Book Capital 2022
- Exploiting digital and print media more effectively, promoting understanding of the architect and design professions, using the skills and contacts of the design professionals in our standing committee
